

CS320: Software Engineering Tutoring Schedule (starts TBD)

Feel free to contact any of the tutors/mentors via email to arrange times to meet other than those listed here. Weekday evening availability means that the tutors/mentors indicated they are available to meet at that time - you **MUST** still contact the tutor/mentor to schedule time with them, preferably with at least 24 hour advance notice. They will **NOT** be available if you do **NOT** contact them first.
